

An 8-week sim racing league at Speed Trap Racing in Lakewood, raced on your own schedule. There's no race night to make: drivers come in whenever it suits them during the week and set their fastest lap.

HOW IT WORKS

- **Same car all season, new track every week.**
- **Race any time Monday–Thursday** during open hours, with unlimited laps on that week's league track. **Book ahead to guarantee a rig** (216-712-4039 or at the bar).
- **Your fastest lap of the week is your score.** It counts toward your team's total. Standings post every Monday.
- **Teams of 4.** Teammates don't have to come in together. Signing up solo? We'll place you on a team.
- **Championship Night:** the top teams race live to close the season.

COST

- **$40 per driver, per week.** Unlimited laps on the league track, Monday–Thursday.
- Any other sim time (other cars or tracks, or Friday–Sunday) is at regular rates.

SIGN UP AND SECURE A SEAT

- Sign up at **speedtrapracing.com**, email **events@speedtrapracing.com**, or sign up at the bar.
- **A $50 deposit locks your seat** and goes toward your weekly dues.
- **Signups close Sunday, Nov 22.** Teams are announced Nov 23–25.
- Drivers 16 and up. Under 18 needs guardian permission. Every driver signs the STR waiver.

THE RULES (ALL OF THEM)

- Laps count only on STR rigs, in the league car, on that week's track.
- Laps the sim flags for track limits don't count. Best valid lap only.
- Stewards Zach, Tra and Carolina have the final say.
- Respect the staff, the rigs and each other.
